A BUSINESS CHANGE

Edwards Bros. Have Sold Their City Market to W. P. Edwards

The Edwards brothers, Will and John, have disposed of their city market business to Mr. W. P. Edwards, late of the staff opposite, which he sold to Joe White. The business of the Edwards Brothers has grown so of late years that all their time and attention must be devoted to their herds of cattle, ranges, stock farm and wholesale beef trade. These splendid citizens have shown how to do business from a small beginning, and by close attention to business, honest methods and a square deal to all have grown to be the foremost dealers by long odds in Marion county. They deserve success and we are proud of it.

If you want a clean and sanitary city you must assist the authorities. It is your duty as good citizens to do this. If you know of a spot or locality that needs the attention of those who are striving to keep Ocala in the front rank as a clean and healthy town, notify the officials. A word to Mr. C. Rheinauer will suffice, and he will see that the places are sanitized, and the violators of the sanitary ordinances made to respect them. He desires, above all else, your hearty co-operation in this matter. His work is a labor of love. He charges nothing for his time, which is valuable, so co-operate with a spirit of true helpfulness and with that Ocala need fear no disease or epidemic.

\$100 REWARD \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
